#### SMART NATION 2023 TECHNOLOGY TALK

**Networking Session / Tea Reception** 

THEME: "CONNECTING SMART INNOVATIONS" (FREE REGISTRATION FOR FIRST 100 SEATS!)

Be among the first 200 persons to register for FREE SEATS at the SMART NATION 2023 TECHNOLOGY TALK, which will feature 30+ presentations:

DAY 1 - TUESDAY, 19™ SEPTEMBER 2023 HALL7

SESSION 1

2.00pm SIEMENS MALAYSIA 2.30pm NEC CORPORATION 3.00pm 3.30pm

Topic: Web 4.0 Technologies Speaker: Igor Kucheryavyy, CTO/Group Chairman, TRONIC ASIA GROUP

Topic: The Modern Workspace: What is critical for your digital transformation transformation rr: Jeff Ong, Senior Consultant Kintone Southeast Asia Sdn. Bhd. / CYBOZU

Topic: Embracing Al Technologies In A Robinst Surveillance Platform Speaker: Lim Hong Siang, Regional Sales Manager, ENTRYPASS CORPORATION SDN BHD End Of Session 1 / Visit Smart Nation 2023 Expo 5.00pm

DAY 2 - WEDNESDAY, 20™ SEPTEMBER 2023

HALL 7 SESSION 2

10.00am Registration

Topic: Building Smarter Cities: Embracing Modern IT Infrastructure for Enhanced Security Speaker: Philip Teo, Senior Vice President - Technology Services, QUANTUM SOUTH ASIA PTE LTD

Topic: Smart , Secure & Sustainable Cities Solution Speaker: Keane Foo, Dahua Smart Cities Solution Sales Manager, DAHUA SECURITY MALAYSIA SDN BHD 11,00am

Topic: Innovation in Agriculture Technology (AGRITECH) Speaker: Suria Hani binti Affandi Chew, Chief Operation Officer MERAQUE SERVICES SDN BHD 11.30am

12.00pm Topic: Anything-as-a Service Speaker: VNETWORK SYSTEM SDN BHD

Topic: Scammer Exposed! They are not Hackers. Speaker: Dr. Prakash Christiansen, Chief Executive Officer, VULSAN X CYDEF SDN BHD End Of Session 2/ Visit Smart Nation 2023 Expo

1.00pm

SESSION 3

Registration 2.00pm

Topic: How Enterprise Connectivity Unlocks The Power of Data Speaker: Koh Ching Peh, Sales Manager, ALLIED SOLUTIONS PTE LTD

GOLMAR SISTEMAS de COMUNICACION, S.A. 3.30pm AA SECURITY & AUTOMATION SOLUTION SON RHD

4.00pm Topic: : SMART/IOT in Disaster Prevention & Monitoring and Management Speaker: William Lin, Head of Department, TAIWAN EXTERNAL TRADE DEVELOPMENT COUNCIL (TAITRA)

Topic: Securing Access, Simplifying Contro: Speaker: Yeoh Eu Jeen, Director, EWINS SDN BHD End Of Session 3 / Visit Smart Nation 2023 Expo

DAY 3 - THURSDAY, 21 ST SEPTEMBER 2023

HALL 7 SESSION 4

Topic: Open Text for the Digital Government Speaker: Mr Navin Nair, Senior Manager, Solutions Consulting, OPEN TEXT & Mr Geevan Ramalingam, Solution Consultant, CARDTREND SYSTEMS SDN BHD PUBLIC PROCUREMENT SERVICE OF KOREA

11.30am KOREA INSTITUTE OF START UP & ENTREPRENEURSHIP DEVELOPMENT

12.00pm COMMERCIAL DEVELOPMENT RESEARCH TAIWAN

12.30pm POS DIGICERT SON BHD

2.00pm

2.30pm

1.00pm End Of Session 4/ Visit Smart Nation 2023 Expo

SESSION 5

Topic: Unleash The Power of No-code in Digital Transformation Speaker: Alemaan Mohd Noor, Country Manager, DESKNET'S NEO

Topic: How WMS and TMS Interpretation boosts supply chain efficiency Speaker: Jessica See & Julian Kellerman, Managing Directors, TIRAMIZOO SINGAPORE PTE LTD 3.00pm

3.30pm Topic: Robotics and Al Shaping a Smart Nation Speaker: Dr. Hanafiah bin Yussof, Chief Executive Officer, ROBOPRENEUR SDN BHD 4.00pm WORLD EXPORTAL KOREA

End Of Session 3 / Visit Smart Nation 2023 Expo

## EVMASIA'23

19 - 21 SEPTEMBER 2023 • MITEC, KUALA LUMPUR

OPENING HOURS: 10.00 AM - 6.00 PM

Co-located with:

## YOUR INVITATION TO EXPERIENCE THE WORLD OF **EV MOBILITY, TECHNOLOGY AND AUTO AFTERMARKET & ACCESSORIES**

EVM ASIA 2023 - the Region's No.1 EV & MOBILITY TECHNOLOGY Show is back again even bigger at the MITEC, Kuala Lumpur from 19-21 Sept 2023. Held in partnership with Malaysia Automotive, Robotics and IoT Institute, it is THE event that brings together the complete eco-system for the EV industry. You are invited to join over 25,000 trade professionals from 54 countries to explore new business opportunities in the Future of Sustainable Mobility.

MALAYSIA'S AUTOMOTIVE INDUSTRY IS TRANSFORMING in line with the Government EV Industry Policy of supporting the EV adoption and the development of the EV Ecosystem. The tax incentives have seen a rapid increase in sales of Electric Vehicles and deployment of Charging Infrastructure.

Catch up with EVERYTHING ON THE EV INDUSTRY at the Region's No.1 EV/Hybrid Vehicles, Mobility, Manufacturing Technologies and Parts and Components Show - EVM ASIA 2023 held 'IN-PERSON' at MITEC, Kuala Lumpur from 19-21 Sept 2023.

IMPORTANT: Attached is your VIP Invitation and the QR code for your colleagues to pre-register for FREE ADMISSION to the Expo. Please bring along your VIP card for on-site registration and enjoy your VIP

Group in organizing the 2nd 'In-Person' edition of EVM ASIA. This remarkable event brings together stakeholders across the region, showcasing latest sharing experiences innovations, establishing common standards in the EV industry.

Azrul Reza Aziz Chief Executive Officer Malaysia Automotive, Robotics and IoT Institute

#### MORE REASONS WHY YOU MUST VISIT THE 'IN PERSON' EVM ASIA **2023 EXPO**

- EXPLORE NEW BUSINESS OPPORTUNITIES
- SOURCE FOR NEW PRODUCTS & SUPPLIERS
- TALK TO INDUSTRY EXPERTS 'IN PERSON'
- GET UP TO DATE ON LATEST TRENDS & DEVELOPMENT
- ATTEND TECH TALKS
- NETWORK WITH FELLOW INDUSTRY **PROFESSIONALS**

EVM ASIA 2023 TO HOST HIGH LEVEL REGIONAL EV INDUSTRY SUMMIT

#### EVMASIA'23 VEHICLES & MOBILITY 19 - 21 SEPTEMBER 2023 - MITEC, KUALA LUMPUR

Key decision makers representing the public and private sectors will congregate at the ELECTRIC VEHICLE & MOBILITY ASIA SUMMIT 2023 to share experiences and chart the future of the EV Industry by exploring common industry standards. This 'by invitation only' Summit is held in partnership with MARii and feature the automotive chiefs of Thailand and Indonesia

To receive invitation to this Summit, you need to submit your Name, Designation, Organisation, Contact details to Ms Farrah at farrah@ambtarsus.com

Speakers.

## ELECTRIC **ASIA SUMMIT 2023**

**BRANDS** 

15+ TECH TALKS

YOUR CONNECTION

200+ EXHIBITORS & INTERNATIONAL

#### TRON BRADBURY ENERGY (MALAYSIA) SDN BHD

Pioneering Green Energy Solutions for a Sustainable Future. Tron Energy has emerged as a leading force in the electric vehicle industry, specializing in the production of safe, superior, and eco-friendly solutions. We have harnessed innovative research on cathode materials, resulting in the development of bespoke battery packs for electric vehicles. Our state-of-the-art factories enable us to produce a wide range of electric vehicles, including buses, tractors, and autonomous vehicles. Moreover, w nitted to creating a Battery Energy System (BESS) that will contribute to a greener Earth.

#### WILLOWGLEN TECHNOLOGY SDN. BHD.

Choose ChargeMate by Willowglen for top-tier EV charger installations. Trusted by leading automakers, we ensure safety and government compliance. Enjoy solar compatibility and reliable service in Malaysia Explore our sleek Harmony Residential Energy Storage solution—store surplus energy, reduce bills. Simplify your charging and energy needs with ChargeMate by Willowglen.

#### WINZONE INTERNATIONAL SDN BHD

Winzone International has many years of experience and always pays attention to world trends. In view of the South East Asia new energy market and some characteristics, we cooperate with the brand and radiate other South East Asia markets starting from the centred on Malaysia. Our philosophy is "Change life with technology, improve quality with energy'

#### LISHUI MEJE TRADING CO., LTD

MEJE is a professional trading company for auto spare parts (filters, universal joints, hood support rod, etc).

When you are at EVM ASIA 2023, make sure you check out exhibits at the co-located MAPA 2023 – the Malaysian International Auto Parts and Accessories Show. It will showcase an array of autoparts and accessories including Aisin, Mayshowa, MW Advantech, ABB, Rinco Ultrasonic, Infastech, Marposs Kabushka, Multicode, Bonding Technologies, Wifey Marketing, NL Scientific, together with China pavilion, Taiwan Pavilion and many more.

#### ECOTRADE GROUP (MALAYSIA) SDN.BHD

Ecotrade Group is an Asian based company specialized in the recycling of precious metal from spent auto catalysts.

We have acquired a great deal of expertise in the Platinum Group Metals (PGM) recycling industry and have earned a solid reputation and transparency.

#### V STAR ASIA

V Star Asia Sdn Bhd ed in supplies al range of Automotive A/C Flushing Machine, ATF. Cooling Coil Machine, Recovery Machine. Also including maintenance, machines repair and Automotive A/C spare parts, Gas, Oil

#### WIND HILL TECHNOLOGIES CO., LTD.

Founded in 2003, WINDHILL is a well-known automotive technology R&D enterprise and automotive and industrial technology provider. The business covers vehicle engineering, automotive electronics and industrial technology. It owns Softing China, a Sino-German joint venture, and is the strategic partner of Germany's strategic partner of IPETRONIK in Asia.

#### ZERO EMISSION VEHICLE ASSOCIATION (ZEVA)

ZEVA is a non-governmental organization (NGO) and the first association in Malaysia to bring together all like-minded stakeholders in a transportation ecosystem to advocate for a cleaner environment via the adoption of battery electric vehicles (BEV).

ZEVA provides a platform for all Association members to express their concerns to key industry stakeholders. With this, we contribute to the development of applicable ws, policies, and/or standards on BEV issues

#### CHIBIN MACHINE CO., LTD.

to cooperate with all our friends in the ne products to customers around the world.

temperature.

#### FOSHAN HACYUE TECHNOLOGY CO., LTD.

Foshan Haoyue Technology Co., Ltd. is a professional manufacturer engaged in the research and development, production, and sales of LED green lighting and portable refrigerators for automobiles. Our factory is located in Shunde, Foshan, Guangdong, China, with a team of experienced engineers, technicians, and workers. We sincerely hope future and are prepared to provide the best

#### ABLE-SPEED SDN.BHD

ABLE-SPEED manufacture EVA, CR, EPDM (Opened & Closed Cell) Foam blocks and Multi-component parts. We are specializing in complete parts fabrication ranging from single to multi-component parts. We do foam foaming, slitting, sheeting, rewinding for sheets & rolls, lamination, die cutting & punching, rubber molding and also pressure sensitive adhesive ( roll or individual). Our products, FOAM: EVA, EPDM (Opened & Closed Cell), CR(NEOPRENE), PU FOAM(ESTHER & ETHER), INK JET FOAM, PE FOAM & etc.

INSULATION FILM: PET, PC, PP, Nylon, Copper Foil & etc, RUBBER: NBR, SBR, CR, Natural Rubber & etc

#### AISIN ASIA PTE LTD

AISIN is a global autoparts manufacturer based in Japan, supplying a wide range of vehicle components in engine, drivetrain, brakes and automotive lubricants around the world. AISIN's commitment to R&D means that its comprehensive product lineup is still expanding and improving, much like an ever-growing "mega mall" of affordable auto parts. As an OEM & OES supplier to car makers and an Aftermarket parts maker, AISIN combines its global network of 100,000+ employees together with its world-class "Japanese-quality" manufacturing to benefit the automotive industry and vehicle owners.

#### BONDING TECHNOLOGY RESOURCES SON BHD

Bonding Technology Resources Sdn Bhd is an extension of Syarikat Chemibond Enterprise, which established since 1977, have emerged as a leading manufacturer of Industrial Adhesives, Sealants, and Coatings in Malaysia. Through innovation and technology developments, our products were being recognized locally in Malaysia and worldwide. We provide customized solutions and support for its customers in the optimization of the production process to achieve cost andquality. Product Compliances with Mitsubishi Standard ESX 60210 (heat cycle), Mitsubishi Standard ESX 83215 (heat aging) and Daihatsu Motor Corp StandardDTSK 5618G (Class1).

#### COGEBI ASIA SDN BHD

Cogebi Asia was established in Malaysia in 2005 The origin of Cogebi is from Belgium which dates back to 1929.

We are the manufacturing centre for advance insulation materials and products, predominantly of mica to service a wide segment of industries, for export to all throughout Asia. In Electrical Vehicle segment, mica insulation is applied with purpose of inhibiting Fire Burnthrough and Thermal Runaway of Lithium Ion battery packs in the event its cells of modules were fall and catches fire

#### MARPOSS KABUSHIKI KAISHA

Marposs is a worldwide leader in Measurement, Inspection and Testing. Marposs designs and manufactures a wide range of products and solutions from precision measurement of mechanical components before, during and after the manufacturing process, to process controls and machine tool conditions, from leak tests for all industrial sectors, to automatic assembly and control lines. Marposs is a primary supplier of the major automotive manufacturers, for both ICE and EV applications.

#### HICOM HBPO SDN BHD

Automotive modular assembler to OEMs with capabilities to do integration from design, tooling, assembly and supply with JIS and JIT to customer's premises. Market leader for Frontend and Cooling Module and ventures to new energy (hydrogen) products. Operating close to our customers, we provide best solutions to your quality and delivery matters.

#### WIFEY MANUFACTURING SDN BHD

Malaysia's Auto Care Brand & Private Label Car Care Products Manufacturer (OFM, ODM), we are produce Car Care Products. We are specialist in Car Perfumes and other Car Cares Products. Example: Car Shampoo, Carnauba Wax, Tyre Silicone and etc. 100% of our production at our avsia. Hence assured the quality keep progress into the highest standards, as compared to other products produced in other countries or original equipment manufacturer (OEM) brands

#### **MAYSHOWA AUTO PARTS SDN BHD**

ENEOS is the No.1 Oil Company in Japan, and we strive to provide the best Passenger Car Motor Oil, Motorcycle Engine Oil and Commercial Vehicle Lubricants

#### **MULTI-CODE ELECTRONICS INDUSTRIES (M) BERHAD**

MCE, the leading OEM manufacturer, specializes in designing, manufacturing, and developing electronic and mechatronic automotive parts. Products that we supply are functional switches, interior and exterior lighting systems, camera systems, ultrasonic parking sensor systems, infotainment system, DC converter, electric charging gun, wireless charger, anti-theft system, window lifter systems, and automotive plastic components. As a Public listed Tier 1 supplier, MCE designs, develops and supplies quality products to our customers. We sincerely believe and apply our motto. 'Together we grow, TOGETHER WE EXCEL!' in our daily operations and business dealings.

#### NL SCIENTIFIC INSTRUMENTS SON BHD.

NL Scientific specializes in a diverse range of material testing equipment for various industry. Our universal testing machines are specially designed for tensile, compression, peel, tear, flexural and cycle tests on raw materials such as rubber, fibre, polymers, adhesives, metals, straps & other industrial materials.

With flexibility in mind & customer-focused, NL Scientific universal With flexibility in mind & customer-focused, NL Scientific universal testing machines provide the convenience for any industries including automotive industry to test a wide variety of materials. Ranging from small threads to large steel bars, NL Scientific provides dedicated solutions for quality control, commercial testing, research projects & education while complying to industrial standards.

#### **GUANGZHOU CHANGYI AUTO PARTS LIMITED**

Changyi is a factory specializing in the research and development, production and sales of electric tailgates. We currently have over 100 electric tailgate products specifically designed for special vehicle, with sales markets spanning the global market. Over 7 years of research and development and upgrading, our electric tailgate product has been updated to the third generation. Our sales policy it to continuously invest in research and development and provide timely and effective after-sales service to satisfy global customers.

#### **HUZHOU JIUXIN TRADING CO LTD**

JIUX located in Zhejiang China and have our own production factory. We have been focusing on the R&D and production of engine timing chain kits for many years, timing chain, timing sprocket, tensioner and guide, using high carbon chromium alloy steel material, high

quality aluminum alloy, etc. JIUX company takes "providing high-quality timing chain kits for the motor vehicle industry as its responsibility, improves product quality and serves customers.

#### **CHANGZHOU RUNJIE**

CHANGZHOU RUNJIE VECHILE
ACCESSORIES CO., LTD.stabilished in
2008,a private-ownedcompany located
in Menghe Town Automobile and
Motorcycle Parts industrial zone, Xinbei
DistrictChangzhou City, Jiangsu Province,
It covers an area of 10,000 square
meteer. We represides in Jonous square meters. We specializes inautomobile BODY KIT, GRILLE, TAIL WING, FRONT AND REAR BUMPERS, DIFFUSER AND LOOF RACKS.

#### ZHEJIANG TIANHONG AUTO ACCESSORIES CO., LTD.

Zhejiang Tianhong Auto Accessories Co., Ltd. was founded in 1985. It is located in Tantou Town, Tiantal County and manufacturing seat cover, sun shade, car cover, steering wheel cover, seat cushion, car mat (rubber/carpet/tpe/pvc) and miscellaneous storage series, with a complete range of products that can meet with the needs of different customers. We have passed system audits such as WAL-MART, BSCI, ALDI, LIDL, ISO9001, 14001, 45001, TS 16949 and is a professional supplier for large supermarkets abroad. We are willing to work together with new and old customers to look forward to the future, create business opportunities, achieve mutual benefit and comprehensive win-win situation.

#### ABB MALAYSIA SON BHD

ABB is a leading global technology company that energizes the transformation of society and industry to achieve a more productive, sustainable future. By connecting software to its electrification, robotics, automation and motion portfolio, ABB pushes the boundaries of technology todrive performance to new levels. With a history of excellence stretching back more than 130 years, ABB's success is driven by about 105,000 talented employees

In powering e-mobility forward, we deploy infrastructure that meet the needs of the next generation of smarter, more reliable, and emission-free mobility. From EV chargers for the home, through electrified fleet depots and opportunity charging for electric bus and trucks, to high-power chargers for highway stations, we engineer electrification solutions for the transport of tomorrow, today.

#### **ELANTAS MALAYSIA SDN. BHD**

ELANTAS Malaysia is the latest addition to ELANTAS GmbH, Germany, a leading supplier of wire enamels, impregnating resins and potting/casting compounds with subsidiaries located all over the world. ELANTAS Malaysia is a manufacturing site and service center of excellence for our electrical insulation products serving South East Asia, East Asia and Australasia for Impregnating Materials, Casting & PottingMaterials, Wire Enamels and Flexible Electrical Insulation Materials, Materials for Electronic Protection and others

As a professional EV Charger supplier and installation specialist, EVGURU focuses on providing safer, more efficient and stable professional charging equipment to customers in Malaysia. EVGURU's products are aimed at home and commercial markets in the EV charging sector. Our main products include EV chargers (APP, OCPP), portable EV chargers, EV charging cables, EV connectors and EV adapters. Our products are certified to meet the necessary local and international market requirements with relevant

ADVANCED CERAMICS TECHNOLOGY (M) SDN. BHD.

Advanced Ceramics Technology Malaysia is the Manufacturing Centre for TheCrest

Group, supplying ultrasonic equipment to all Crest Group member companies and

prominent corporations around the world

Based in Penang, the state-of-the-art 120,000 sq. ft manufacturing facility designs and produces advanced and

customised aqueous and solvent cleaning systems targeted to meet the most challenging cleaning requirements.

**CHARGESINI AND SANGITECH** 

Chargesini is an in-house software application that provides EV users with a platform to aid in their EV Charging needs.

With its "real live status" and "Booking" options, it allows EV users to know the current conditions of the chargers and

certified company that provides the top of the line EV Chargers, works in synchronization with Chargesini to deliver a truly refreshing and different charging experience Chargesini would be the "brains" while Sangitech is the "brawns" in their operations to be the top CPO in Malaysia.

make bookings in advance which allows them smoother EV charging experience. Sangitech, a MyHijau

#### GREATENERGY INC.

Greatenergy is a EVSE product supplier based in Taiwan, we supply all kind of EV products qualified with IEC 62196, SAE J1772, NACS and GB 20234.

#### **GREENSTEM BUSINESS SOFTWARE SDN BHD**

Welcome to Greenstem GreenPlus Spare Parts Management System, a system specifically designed for Spare Parts wholesalers, retailers, workshops, and used parts dealers. With over 20 years of experience in serving the parts industry, Greenstem committed in providing the best and sincere service to our customers

#### **GUANGDONG POULTON TECHNOLOGY CO., LTD**

We are a leading manufacturer of EV charging station in China. Our main products charger, DC fast EV charging station, Super charging station, split charging station.

#### **GUANGZHOU RUISU INTELLIGENT TECHNOLOGY CO.,LTD**

We are all-industry chain IOT charging equipment and group charging solution provider. We are established in 2006 with a registered capital of RMB 51 million and located in Yaotian Village, Donglian Development Zone, Xintang Town, Zengcheng District, Guangzhou Ruisu Intelligent Technology Co., Ltd. (hereinafter referred to as "Ruisu intelligent") is a national high-tech enterprise and a "Little Tech Giant" Enterprise, having a provincial engineering center

#### H.J. UNKEL (M) SDN.BHD.

H.J. Unkel (M) specialise in the sales and distribution of scientific lab testing equipment in Malaysia. Q-Lab Corporation is a global provider of material durability testing products and manufacture standard test substrates, QUV Accelerated Weathering Tester, Q-Sun Xenon Arc/Light stability Test Chamber and Q-Fog Corrosion testers. Contract test services for accelerated laboratory testing and outdoor exposure testing are available at Q-Lab Florida and Q-Lab Arizona. Our weathering products are widely used in additives and colorants, adhesive and sealants, automotive, building materials, fabrics/textiles, graphic graphic arts/inks, paints and coatings, plastics and packaging etc.

#### HAN YALE IND. CO., LTD.

Han Yale provides high-quality window regulators and motors catering to passenger and commercial vehicle applications. With six leading technologies, including the Double Cable System, System, Cable System, Goldie Scissors System, Arm System, and Panel System, Han Yale offers a diverse range of options to mee the needs of its customers.

#### BETAMEK ELECTRONICS (M) SDN BHD

Betamek Electronics (M) Sdn Bhd (BESB) was incorporated in 1989 and made inroads into the Malaysian market in 1994 to supply car audio systems for PERODUA's first Kancil model.

BESB is certified for QMS ISO 9001 (1996), ISO/TS 16949:2002 (2008), BETAMEK IATF 16949:2016 (2017), ISO 14001:2015 and ISO 45001:2018 (2022). in October 2022, BETAMEK BERHAD successfully listed on the ACE Market of the Bursa Malaysia stock exchange, with BESB as its wholly

Today, BETAMEK is an industry leader for Research & Development Manufacturing and After Sales Service of automotive electronic products.

#### INFASTECH (MALAYSIA) SDN BHD.

STANLEY® Engineered Fastening, a division of Stanley Black & Decker is the global leader in precision fastening and assembly solutions. Our industry-leading brands, Avdel\*, Integra™, Nelson\*, Optia\*, POP\*, STANLEY\* Assembly Technologies, and Tucker®, represent the world's most diverse portfolio of fastening and assembly products and solutions. We have been revolutionising fastening and assembly technologies for almost 100 years. Backed by a team of passionate and responsive problem-solvers, we empower engineers who are changing the world.

X.Y. 

#### INTRANET SON BHD

Intranet Group of Companies has offices in Malaysia, Thailand, and Singapore and we have built a strong reputation as a high-quality value-added IT and Fleet Management solutions distributor. Our main product is Geotab's GPS solution — ranked the World's No. 1 Enterprise Fleet Management Solution by ABI Research, 3 years in a row, with more than 3,200,000 activedevices installed. We also sell complementary fleet management products, including iDrive's driver monitoring video telematics solution, Digital Matter's asset tracking solutions, Elite Extra's dispatch solutions, fuel monitoring and temperature tracking. Our customers include DHL, Shaziman Transport, Safeguards G4S, Pepsico, UPS, etc.

#### JIASEN ELECTRONIC TECHNOLOGY (YANCHENG, JIANGSU) CO., LTD

professional BMS enterprise integrating R&D, production, sales and service, with completely independent intellectual property rights, more than 30 technologies have obtained patents, and has passed ISO9001:2015 quality management system certification, the factory covers an area of more than 3,000 square meters. Self owned brand Fuming BMS, 4G communication and positioning intelligent terminal system and other products are widely used in electric bicycles , electric motorcycles, electric tricycles, balance bikes, golf carts , Electric tools and many other fields.

Jiasen Electronic Technology(Yancheng Jiangsu) Co., Ltd is a

#### JUSEV CHARGING NETWORK SDN BHD

From site consultation to customer feedback, we provide the most optimal advice to customers' needs on EV charging services. We ensure that our customers receive the most

Our focus on customers' satisfaction drives us to provide top products, educational consultations, instantaneous al supports, and cloud-based Charging Management quality Software (CMS) with payment gateway.

Today, we are distributing EV chargers through our distribution networks including wholesalers, installers, utilities, infrastructure owners, OEMs, and end-users in most states in Malaysia.

=

#### KINETA SDN. BHD.

KINETA, a subsidiary under Sime Darby Berhad is a leading provider of end-to-end electric vehicle (EV) charging solutions in Malaysia via the supply and installation of EV chargers. With a diverse portfolio of reputable EV charger brands such as Wallbox, StarCharge and more, KINETA caters to both individuals and enterprises. To ensure all installations for homes and businesses are safe and fulfil regulatory requirements, KINETA renders superior technical support and services via a dedicated and qualified team. As the preferred distributor and installer of EV chargers in Malaysia, KINETA plays a crucial role in completing Sime Darby's offering of an end-to-end solution and promoting sustainable electric mobility across the country.

#### **POWERED BY RISE**

Powered By RISE is a distinguished local tech startup dedicated to delivering cutting-edge EV charger solutions. With over four years of operation, we take pride in our product, ONE RISE, which offers a wide range of advanced features, include an integrated payment system that supports various E-wallet payment methods, a user-friendly interface, and safety payment methods, a user-mendy interrace, and safety features like automatic shut-off mechanisms to prevent overcharging & overheating. Through the development of in-house apps, a dedicated payment system, and a robust backend platform, we provide a holistic and streamlined experience for both EV owners and charging station operators.

#### RINCO ULTRASONICS (M) SDN. BHD.

RINCO ultrasonic welding machines are appreciated by users because of their minimum welding times, high precision and low maintenance requirements. RINCO manufactures welding machines in three product series that meet every requirement – from welding the very smallest components to large-area elements. With our blister welding machine, we also offer a solution especially for film packaging

#### RODA EMAS INDUSTRIES SDN BHD

Roda Emas Industries Sdn. Bhd. (REISB) is a Malaysian Burniputera company specializing in Electromobility (e-Mobility) solutions and EV Supply Equipment

REISB

#### SHANGHAI NOBI NEW ENERGY TECHNOLOGY CO.,LTD

Shanghai Nobi New Energy Technology Co., Ltd. is a proud leader of EV charging solution, our philosophy is Affordable, Cleaner, Greener, We provide Portable EV Chargers, EV Charging Stations, EV Charging Cables, EV Accessories etc . Our EV Charging products are widely used in Europe, USA, Southeast Asia and Australia etc.

#### MALAYSIA AUTOMOTIVE ROBOTICS AND IOT INSTITUTE

MARI

#### Malaysia Automotive, Robotics & IoT Institute (MARii), is an agency under the Ministry of nvestment, Trade, and Industry (MITI). Serving as the focal point, coordination centre and think tank for the nation's automotive industry.

MARii serves to sour the development of smart systems through the implementation of digital technologies with a special focus on big data analytics and artificial intelligence, including automotive and connected mobility ecosystem.

We strive towards the development of strategic and operationally intelligent systems through the humanization and utilisation of smart platforms, applications, and digital technologies such as Big Data Analytics and Artificial Intelligence. This shall include the focus on the automotive industry and connected mobility ecosystem, aligned with National Automotive Policy 2020 (NAP2020).

#### SINO-JAPAN ELECTRIC HEATER CO., LTD.

With over 57 years of experience, Sino-Japan Electric Heater offers a wide array of both standard and custom products in heating solutions. As the electric and hybrid vehicle industry has evolved, Sino-Japan has been providing heating elements related to the automotive field (non-EV) over 16 years around the US and Japan region. In recent years, we have been developing heating elements for Electric Vehicle(EV) and engaged with OEM of EV battery. We are also certified for IATF 16949:2016.

#### SMI FLECTRIC AUTOMATION SON BHO

SMI Electric Automation is a CIDB Grade G7 and ISO 9001 certified company specialized in electrical & instrumentation engineering products and services, automation control engineering and industrial heat tracing products. We develop Competitive Advantages by providing tailor-made industrial automation control and information solutions. Over the years, the strength of the Company has grown and evolves into structure across a wide range of industry, such as Oil & Gas, Heavy Manufacturing, Commercial, & Utilities. We provide a comprehensive EPCC with the vision and experience to effectively integrate the art of Civil and the science of Engineering.

Newera Equipment Supply Sdn Bhd were early to recognize the needs of superior tyre shops and automotive workshops in the country. With the vision to be the leading professional total solution provider in the region for Automotive Servicing Industry, we have brought in many new products that revolutionized this industry to what it is today.
